## Meet Roosevelt

Roosevelt is a fun outgoing boy. He came to the shelter with five cats that were abandoned in a burned out home. At AWS Roosevelt enjoys roaming the shelter halls, assisting the staff with paperwork, and making friends with everyone he meets. His zest for life goes beyond spending time with his human and feline friends, this boy is a foodie and always on the lookout for a snack.

To learn more about Roosevelt, call the shelter at 860.354.1350

## EVEN WHEN YOU THINK YOUR DOG IS UNDER VOICE CONTROL

**"IT'S OKAY! MY DOG IS FRIENDLY"**  
**NO! NO! IT'S NOT OKAY!**

Just because your dog is friendly does not mean other dogs are. Some may be nervous, reactive, fearful, in training, or owned by people who want to be left alone.

NEVER LET YOUR DOG RUN UP TO ANOTHER DOG

**RESPECT OTHERS & THEIR NEED FOR SPACE**

IF YOU HAVE NO VOICE CONTROL OVER YOUR DOG  
KEEP THEM ON A LEASH

## BRING COMFORT TO COMMUNITY CATS IN COLD WEATHER

Here's a great project for volunteers, kids or your community in general. Winter shelter bins are a simple and inexpensive way to for homeless cats in bitter weather. Everything from what materials to use (and not use) to where to place the shelters is covered in this resource.

One of the most important things you can do for feral cats is to get them spayed or neutered before a litter is born. AWS has a TNR (trap neuter return) program. Call the shelter for more information!
