Meet Bleeker

Bleeker is a sweet, affectionate boy who exudes a calm confidence, yet loves to play and explore. He requires a special diet, but otherwise he is very healthy. He has quickly adapted to the Shelter environment and longs for a forever home. Bleeker qualifies for the AWS Seniors to Seniors Program where adoption fees are waived for Seniors over 60 who adopt a senior cat.

ADOPTION DAY!

After over 4 years at AWS, our very good boy Elmer (now known as Chance) has finally found his forever home!

Chance is now living his best life with a loving family and getting all the cuddles he could ever hope for.

Thanks to all of our donors, pet sponsors, and social media sharers!

Your support for AWS allows us to find safe, loving homes for *all* of our cats and dogs.

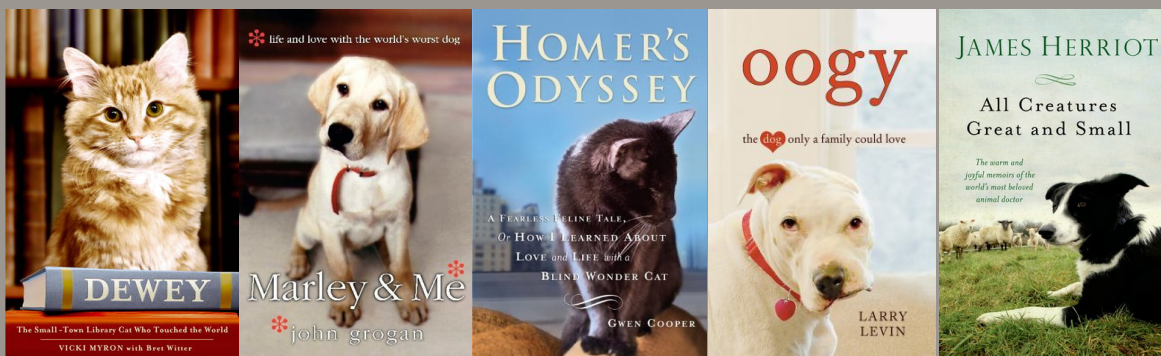

AWS has partnered with Pets for Patriots, an organization whose mission it is "to give the gifts of fidelity, joy, and love to veterans and pets through companion animal adoption".
