

BECOME AN
AWS GARDEN SUPPORTER
ANIMAL WELFARE SOCIETY, 8 DODD ROAD, NEW MILFORD CT 06776
TEL. 860.354.1350

Our stewardship at AWS includes the shelter, health and well-being of the the animals in our care until they find their forever homes. But, hand-in-hand with that responsibility is the necessary (and not often talked about) maintenance of our facilities, both inside and out. The **AWS Garden Supporters Program** affords the shelter necessary funds to keep the outdoor surroundings of our building appealing and welcoming to our guests and visitors. AWS Garden Supporter funds allow us to make that first good impression.

2020 COMMEMORATIVE PLAQUE

We invite you to add a customized engraved plate to our **2020 Garden Supporters Plaque**. This is a wonderful opportunity to thank, honor, celebrate or memorialize a pet, relative, friend, business, or colleague. Of course, you may chose to simply add your own name! The plaque will be placed prominently in the shelter.

The engraved plates are 3" inches wide and 1" in height. Plates have space for one, two, or three lines of text (but you do not need to use all three lines). Each line can accommodate thirty characters which includes punctuations and spaces between words. All requests must be received by October 25, 2020, but we suggest placing your order earlier.

To order your engraved Garden Supporter plate,
email awsnm.fundraisingdirector@gmail.com
or visit our website for more information.
