ABOUT ANIMAL WELFARE SOCIETY, INC.:

Animal Welfare Society, Inc. (AWS) was founded in 1965 as an independent, non-profit, no-kill animal rescue and is a registered 501(c)(3) charitable organization. Our shelter is conveniently located in New Milford, Connecticut. In addition to our small but mighty staff, we rely on dozens of volunteers each day to ensure the pets in our shelter receive the care they need and deserve.

Our mission is to offer refuge to homeless and abandoned dogs and cats and place them in loving, responsible homes. Each year hundreds of pets are rescued by AWS from local communities throughout Connecticut. We partner with local and state animal control officers, and reputable shelters and rescues. Since 1965, we have rescued and cared for over 12,000 pets!

From the moment these pets enter our shelter, they receive loving care. We provide excellent veterinary services including a complete panel of vaccinations, preventative worming, feline leukemia testing, flea and tick prevention, canine heartworm testing, and other medical treatments. All cats and dogs are spayed or neutered and microchipped prior to adoption.
